Asunto: [Iah-mar.listcgs] IAH-MAR news. 2020 April
Datos adjuntos: ATT00001.txt

Dear MAR family, good day!;

We do hope you are all safe and sound from COVID-19 and are taking extreme care. In these uncertainty circumstances, we have gathered some pieces of news on MAR, due to the fact that the activity keeps going at any cost...

ISMAR 10's Water Journal, special edition: Managed Aquifer Recharge for Water Resilience

21 papers are already available. Please, visit the Journal site at:

https://www.mdpi.com/journal/water/special_issues/ISMAR10_2019

This task, the last regarding Dissemination and Technology Transfer from ISMAR 10, is about to finish. We are thankful to Journal Water for such a good work!

47 IAH Conference, Brazil. WhatsApp Group about *Aquifer Recharge Management*

IAH 2020 organizers have released a set of Whatsapp groups to enhance discussion and facilitate the flow of information. MAR is included as a specific topic within the Group about Aquifer Recharge Management. You can book freely at: https://abas.iah2020.org/wp-content/uploads/2020/03/IAH-2020_QR.pdf

Mirror site: <http://dina-mar.es/post/2020/04/20/IAH-2020-Nuevo-grupo-tecnico-de-WhatsApp-e2809cAquifer-recharge-managemente2809d.aspx>

PRIMA call for proposals, deadline extended

MAR and climate change are first row topics in this call.

In consideration COVID, the call PRIMA supported by the European commission has decided to postpone the Section 1 call deadline from 1 April to 6 May 2020. Some days are still left to prepare a good proposal. More info: <http://prima-med.org/calls-for-proposals/>

IWRA on line Conference. First call

The International Water Resources Association (IWRA) is pleased to announce its upcoming **online conference** on "*Addressing Groundwater Resilience under Climate Change*" to take place both on Thursday, October 29th and Friday, October 30th, 2020. You are cordially invited to participate! Read more: <https://www.iwra.org/onlineconference/>

New book on MAR written by Tragsa Group (in Spanish)

“Innovación en la Planificación y Gestión del Agua. El Grupo Tragsa y la Recarga Gestionada de Acuíferos”

This book has a technical component on MAR and also exposes some Tragsa Group’s experiences on this technology.

Publication available at: <https://www.ismar10.net/wp-content/uploads/2020/04/Recarga-Gestionada-de-Acuiferos-Grupo-Tragsa.pdf> (pdf 44 Mb, 48 pg.) Be patient, overloaded server!

A new Thesis on MAR has been defended in Dresden University (Germany)

From IAH MAR Commission we want to congratulate Dr. Félix Barquero for the new Thesis, which is purely on MAR, recently defended: INFILTRATION CAPACITY ASSESSMENT OF MANAGED AQUIFER RECHARGE SPREADING BASINS UNDER VARIABLE CLIMATES. He has obtained a Cum Laude qualification, so, congrats Félix for this new achievement!! The full text will be available shortly.

Please, inform us of new thesis on MAR defended anywhere...

10th INTERNATIONAL GROUNDWATER CONFERENCE (IGWC-2022): First announce

Ground Water Exploration, Assessment and Modeling for Sustainable Development & Management of Groundwater Resources in Arid and Semi-Arid Regions with Special Reference to community’s role in the management of aquifer system & Bi-Decennial Celebration of AGGS alias IGWC. February 16-19, 2022.

The first call newsletter has already been released. Pls, access the document at: <http://dina-mar.es/file.axd?file=2020%2f3%2fFinal+Modified+version+4+draft+brochure01.pdf>

Reminder: Geoethics and Groundwater Management Congress to be presented online

This joint international congress, with the International Association of Promoting Geoethics (IAPG), is the first global event to tackle the many wide-reaching subjects of Geoethics in Groundwater Management. Taking place on 18-22 May 2020, it is being organised on behalf of the sister associations by the Portugal Chapter of IAH, ISEP - Polytechnic of Porto and the AIH-GE. More info: <https://geoeth-gwm2019.wixsite.com/porto>

Thank you very much for your kind attention

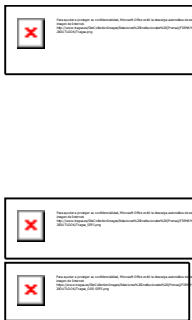

With kindest regards

Enrique F. Escalante of behalf of IAH MAR Commission chairs.
